

## About Us

We are a full service real estate, which specializes in selling homes, condos, large plots of land (farms), condominiums, development projects, hotels and resorts, businesses, malls, etc. In addition there are a multitude of consulting services relating to real estate.

We are located in Tamarindo, in the beautiful Northwest Pacific coast of Costa Rica (Gold Coast) and the Central Valley, specifically in Escazú. Natural Properties is here to help you find the best place that you're looking for in the region.

We are dedicated to offer to our customers the highest quality service and greater attention to obtaining the best property for your needs.

We will help you throughout the buying process here in

Costa Rica, ensuring personalized service. Thank you for visiting our site! Please do not hesitate to contact us via e-mail or phone with any questions you may have.
